which the Succession Certificate sought for are fully detailed in the annexed schedule.

10. As the Reserve Bank of India authorities are insisting upon the production of a Succession Certificate from a competent Court in British India before they could recognise the claim of the Petitioner to the securities in question, this petition is filed.

11. As the Opponents are also interested in the property of the deceased they are included as proforma Opponents.

12. There is no other impediment whatever for the grant of this petition.

13. The value of the subject matter of the securities in respect of which this petition has been filed is Rs.572-8-0 including the dividend accrued there on and the amount of Rs.11-8-0 will be duly deposited.

14. The Petitioner submits that the Certificate should be granted to him specifically empowering him to receive dividends, to negotiate and transfer the securities.

15. As the Petitioner is primafacie entitled to the Certificate being the heir entitled to succeed to the property of the deceased by right of survivorship and as he is in custody and possession of the security in respect of which the Succession Certificate is applied for and as even the Opponents do not contest the claim of the Petitioner and the subject matter involved is not substantial, the Petitioner submits that it is not necessary to have any publication in the Residency Gazette. The Petitioner also submits

4

that it is sufficient if formal notices are ordered to the Opponents and a notice is put up on the Court notice board.

10. The share certificate ~~is also herewith~~ will be submitted for kind reference, if necessary

11. Wherefore the Petitioner prays that this Honorable Court may be pleased to grant him a Succession Certificate in respect of the schedule securities empowering him to receive dividends, to negotiate and transfer those securities and for any other reliefs that this honorable Court may deem fit to grant.
